Enclosures :

No. 2424-D/43 dated 10th May 1944.

Sir,

Sub: Government Silk Filature, Kollegal - Fire fighting equipment - supply of a trailer pump

Ref: Government Memorandum No.10407-D/44-3 dated 22-3-44.

The Trailer pump available with the Director of Fire Services ~~unit~~ consists of a reconditioned Chevrolet six cylinder engine and a K.B.3 Kirloskar pump directly coupled and is not provided with the necessary hose pipes and other fire fighting accessories. If this unit were to be purchased the necessary hose pipes, unions and other fire fighting equipment complete will have to be purchased separately through the Supply Department. As the cost of the unit in its present condition alone is stated to be Rs.4,900/- each ~~xfxfixaxfixkkingxxxxxxxxxxxxx~~ the total cost including the cost of a complete set of fire fighting accessories is likely to amount very nearly to the sum quoted by the Chief Adviser, Factory, (A.R.P.), for an American Twincoast trailer pump which is understood to be complete

with all accessories and a 100% reserve Further there is bound to be considerable delay in locating the accessories and arranging for supplies

In the circumstances I request that Government may be pleased to sanction a sum of Rs.8,000/- exclusive of Railway freight and other charges as requested in my letter No.2424-D/43 dated 17-2-44 for the purchase of the trailer pump offered by the Chief Adviser, Factory, (A.R.P.), New Delhi. I request that very early orders may issue in the matter

Order / Resolution — Ms. / Rout. No. 2304, dated 30-5-44 19

The Govt. permit the D.I. & C. to incur an expenditure not exceeding Rs.8,000/- (Rupees eight thousand only) on the purchase of an American Twincoat trailer pump (with all accessories and a 100% reserve) for the Govt. Silk Filatures, Kollegal as part of its fire fighting equipment

The freight and transport charges on the purchase of the pump should be met from the amount available in the sum of Rs.1500/- sanctioned in G.O.No. 17 (MS) Dev. dated 8--1-43 for the purchase of fird fighting equipment for the factory.

2. The expenditure should be debited to "35.A. Capital outlay on provincial schemes connected with the War 1939 - C. other miscellaneous schemes For Govt. Silk Filatures, Kollegal - 6 Building, plant and machinery and other equipment". It is recoverable from the Govt. of India on behalf of H.M.G. in the United Kingdom as an item of capital expenditure incurred for the Factory.

3. The A.G. is authorised to admit the expenditure in audit pending the provision of funds later

Please see the letter from the D2Dc at pp 1-2 cf. In this connection, the previous letter of the D2Dc on the subject, at p 1 of (K) and the memo issued to the D2Dc at p 7 of (K) may be perused for the reasons stated. Let M on p 1 cf, it seems desirable to accept the proposal of the D2Dc & obtain a new trailer pump arranged for by Controller of Supplies, Madras.

The expenditure is an a Capital item which is in addition to Rs 1500/- already sanctioned for the Govt Silk Weavers factory for fire fighting equipment. The amount of extra expenditure of Rs 800/- involved in the present proposal is appreciable and should ordinarily have the concurrence of the Govt of India. As the equipment is however an essential one for the factory and as the D2Dc has consulted the Controller of Supplies, Madras on the subject, their concurrence may be presumed.
